Special thanks to all today's observers who braved the weather they were :-

Nigel Greenwood, Julie Cooper, Steve Smithies, Victoria Penny, John Kershaw, Greg Kershaw, Wendy Yeadon, Bill Francis, Mike Washington, Nigel Crowther, Paul Whitaker, Peter Walton, Dennis Pitts, Russ Brodie. Apologies if you observed and are not included, not everyone wrote their name on the observers card.

Thanks also to today's course markers.

#### Note to riders:

Many riders were riding today either with no number on their bike or one that was totally illegible. If as a result the observer missed your number you have been given a score for that section which seemed appropriate. The rules state that a missed section is a score of 10, so if this note applies to you, you're probably well ahead! Remember it is the rider's responsibility to ensure his/her score is recorded!
